

Morton College Alert Emergency Notification System FAQ

MC utilizes **Regroup Emergency Notification** for emergency notification. Now you can get emergency alerts from MC via text messages, e-mail, and voice notification.

Q. Where will these messages be sent?

A. The program is set up to send messages to your primary e-mail account. (full-time faculty and staff, students, and others who have a MC e-mail). All students/faculty/staff MC email (@my.morton.edu for students – all others @morton.edu) have been entered into the Regroup Emergency Notification system. You will need to click on <https://morton.reggroup.com> and click on Forgot Your Password and create yourself a password. Once you set your password you can modify your preferences. Morton College has already signed up all active registered students, staff and faculty, therefore you do not need to do anything on the Sign Up portion below.

Q. What if I need assistance with this new emergency notification system?

A. You can contact the helpdesk either 708-656-8000 ext 2444 or submit a helpdesk ticket at <http://helpdesk.morton.edu/>

Q. What kinds of messages will I receive?

A. You will receive three types of messages: 1) messages sent to test that the system is functioning properly will be clearly identified as test messages. These test messages are sent out approximately twice a year. 2) Actual alerts about campus emergencies, closures, or delayed openings. 3) General communications from the college.

Regroup Emergency Notification will enable MC to provide a safer environment, enhance emergency preparedness, and keep our faculty, staff, and students better informed.

Q. How does it work?

A. Messages informing students, faculty, and staff of a campus emergency, closure, or other important communication will be distributed via this system.

Q. Who receives the messages?

A. Students enrolled for classes at the current time will receive messages, as well as currently employed faculty and staff.

Q. How do I check and edit my information for Regroup Emergency Notification?

A. You may sign in "login" button. If you forgot your password, please click on "forgot Password".

Q. When I update my contact information can I delete my campus provided email address?

A. No. The primary identifier for your account identification is based on your college provided e-mail address and it needs to remain in the system.

Q. What will I need to know to login to the Regroup Emergency Notification System?

A. You will need to know your User ID and password.

Q. Can I update my record with information so that I can receive text messages on my cell phone?

A. Absolutely! We hope that you do, but we wanted the decision to receive text alerts to be yours. Keep in mind that standard messaging rates may apply and you will be responsible for those fees. Also, the college cannot be responsible for text messages that cannot be delivered due to extenuating circumstances.

Q. If I update my account at this time, do I need to do it again?

A. No. After you create your initial communications profile, you only need to access the system if you wish to make changes.

Q. Does my information get shared for any other purpose?

A. The contact information provided to MC will only be used for campus emergency notifications and other general communications from the college and will not be made available to any other service.

Q. Is Regroup Emergency Notification the only communication system that MC will be using for weather emergencies, closings, or delay openings?

A. No. MC will be using other means of communication. Message will appear on the MC website, Panther Portal page and <http://www.emergencyclosingcenter.com/ecc/home.jsp> as well as local media outlets.
