

Learn to Design Your Own Web Site

Be Creative!

CIS 203

Advanced Web Design

This Course is part of the Web Design Degree and Certification

This Course Counts As A Programming Course

Prerequisite: CPS 116 and CIS 103 or Instructors Permission

Students will gain the knowledge and skills necessary to create advanced websites building on their experience from CIS 103 Introduction to Dreamweaver. They will learn to create Style Sheets, Online Forms, Absolute and Relative links, use Spry Menus, create buttons and Banners, and improve Graphic design using Fireworks, and apply their knowledge to complete project work creating websites for real users. Lecture 2 hours per week, Lab 3 hours per week

January 17th – May 16th

Friday 5:00 pm to 6:55 pm
