

STEM

Design and perform your own **research experiments!**
Represent Morton College at a Research Competition!
Network with staff from Argonne National Laboratory!
Stand out from others when applying for post-associate degree programs, summer research internships, or employment.

**Interested in joining a student research team
in**

**SCIENCE, TECHNOLOGY,
ENGINEERING OR MATHEMATICS?**

**Please contact Dr. Sara Helmus at
sara.helmus@morton.edu
or attend one of the following informational
sessions in 309-C:**

**Tuesday, September 12 at 2:00 pm
Wednesday, September 13 at 10:00 am
Thursday, September 14 at 2:00 pm**

Last year, five groups from Morton College presented their work,
and one group received third place in chemistry!

You do not need to be a science major to participate!
