Debt

Median program graduate loan debt:

Median debt from federal loans: Less than 10 graduates
Median debt from private educational loans:

*The median is computed for all students completing the program, including those that do not incur debt from loans.  
Median debt is not disclosed for programs with less than 10 graduates in the reported time period. Median debt includes all debt incurred by students including amounts borrowed for future studies or personal expenses. Median debt may exceed the actual cost of the educational program for this reason.
