## Turning Dreams into Reality, One Scholarship at a Time

The HOPE Scholarship committee at Morton College, composed of dedicated staff and faculty, is committed to fundraising efforts to support students residing in the Morton College district (Cicero, Berwyn, Lyons, Stickney, Forest View, McCook) who do not qualify for federal financial aid. Our mission is to provide these students with the opportunity to pursue a college education.

The HOPE Scholarship awards \$500 to part-time and \$1,000 to full-time students who are in good academic standing and demonstrate active involvement on campus or in their community. This initiative aims to alleviate financial barriers and empower students to achieve their academic and career goals.
